

Ely Demonstration

For compassion, democracy, and the rule of law

Saturday

May 17, 2025

11:00-1:00

Whiteside Park

Join another peaceful demonstration against the illegal actions of the Trump/Musk regime. Bring picnic supplies to connect over lunch.

The attacks on our institutions, services, and Constitution have only increased. Let's continue to stand together to show that the people of Ely care about compassion, democracy, and the rule of law.

Bring peace. Bring signs. Bring stories. Bring friends.

Mark your calendar for a June 14 Flag Day/No Kings Day demonstration!
